ABOUT US

YOU'RE COVERED

A2z Canopies have over 15 years experience in Designing, Manufacturing and Installing Cantilever Canopies for multiple purposes across public, school, commercial and domestic sectors. Contact us now to arrange a no obligation survey.

FIT FOR PURPOSE

Our GRP Canopies have been tested to conform to the required Building Regulations by an independent Structural Engineer. We have installed our Canopies in high schools, colleges, community centres, other public venues, as well as many domestic/commercial properties.

- Extend the Driveway to provide protection to cars, prevent frost and provides extra storage
- In schools to provide shaded play, educational break-out areas and extra outdoor space
- Commercial properties such as car washes, loading areas or waste storage areas
- Walkway canopies to link buildings/properties
- Patio Canopies to cover the the garden section of property.

GRP CANTILEVER

EXCLUSIVE DESIGN

We manufacture and design our own GRP Beams and use exclusive profiled sheeting to produce our number one selling product.

We can provide Cantilever Canopies in a projection from 1.3M to 3.6M and not limited by length.

10 YEAR GUARANTEE

All canopies installed by A2z Canopies come with a 10 year guaranteed against product failure and material defects.

COLOURED GRP BEAMS

We manufacture our own Beams so can provide them in any colour required. .

MADE TO MEASURE

Our assessment will take into account the Canopy type and purpose. We can often do this with photos of the location. When we cannot provide an accurate quote using this method, we will arrange for someone to come and measure up to confirm suitability and discuss the options with you.
